# About us

Welcome to Shubham Enterprises, a trusted name in apparel manufacturing since 2001. Based in Ludhiana, Punjab, India. we specialize in producing high-quality garments for both domestic and international buyers.

What sets us apart?

We control the entire production process—from fabric manufacturing to printing, stitching, and finishing—**-all under one roof.**

This allows us to offer Full Customization—**Choose your fabric**, GSM, design, and prints tailored to your needs.

**Competitive Pricing** – With in-house production, we eliminate middlemen, ensuring the best prices.

**Timely Delivery** – Streamlined processes help us meet deadlines without compromising quality.

Whether you need bulk orders of T-shirts, hoodies, shirts, or other apparel, we bring your vision to life with precision and efficiency.

*Let's create something great together!*

Bio-washed: Removes cotton fibre that sticks out at the surface. Gives the t-shirt a rich and a smooth finish

Cotton ribbing, Soft and comfortable feel.  
Allows for limited stretching  
Compact washing that restricts shrinkage to very low levels  
Softeners used for smooth feel  
All material tested for colour fastness

CPL: Cut Panel Laundry is a process that completely arrests shrinkage, and reduces spirality of t-shirt
